COMMUNITY ACCESS POLICY

Charlestown Public School

Endorsed by Staff and P&C: March 2020
Next Review: March 2022

At Charlestown PS we actively encourage our parents, caregivers and community members to participate in school life. As educators we recognize and value the skills and abilities that adults can share with children and we acknowledge the positive impact that this involvement has on increasing the learning outcomes of our students.

Schools are places where students, staff, parents and visitors need to feel safe and secure. Ensuring that our school remains a pleasant and safe place for all is the responsibility of all who enter the school grounds. Students' behaviour is dictated by our Student Wellbeing Policy and the Fair Discipline Code and teachers follow a Code of Conduct mandated by the Department of Education.

It is with this in mind that we have developed a Community Access Policy. This policy will make clear the procedures that need to be followed so that issues can be resolved with minimum disruption to student learning.

This policy will promote mutual respect for all stakeholders and a harmonious, nurturing and caring environment in which we can all grow and learn in partnership.
